

BARRENJOEY HIGH SCHOOL

TEHNOLOGY/ INTERNET/ BYOD ACCEPTABLE USE POLICY

The Department of Education and Training (DET) provides access for all students to the DET's secure portal for Internet, Learning Tools, and Email services to enhance and develop their information and communication skills and to facilitate the achievement of learning outcomes. Students are issued with e-learning accounts and agree to act responsibly when using technology. Students and parents should be aware any inappropriate usage of facilities through the portal at school or home will result in disciplinary action according to Barrenjoey High School *Discipline And Welfare Policy* which may include suspension of their usage of the computer facilities.

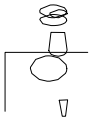

Parental Agreement:

As the parent / caregiver of _____ who is in Year _____ I hereby acknowledge that I have read the student agreement on the use of Technology at Barrenjoey High School and have discussed it with my child. I recognise that the DET and Barrenjoey High School network administrators will make every effort to restrict and monitor inappropriate use of technology resources.

I understand that questionable material must be actively searched for and acknowledge that it becomes the responsibility of the user of the system. I do not hold the Principal or staff of Barrenjoey High School responsible for any material acquired either from the Internet, Email or via the school network.

TECHNOLOGY/INTERNET /BYOD ACCEPTABLE USE POLICY

Student Agreement:

- I take full responsibility for the usage of the network that occurs through my e-learning account and realise that my activities can be audited and traced by the DET to determine if misconduct has occurred. These records may be used in investigations, court proceedings or for other legal reasons
- I agree to ensure that communication through Internet and Email services is related to learning and I will therefore not access, transmit or download any material that is not directly related to specific class tasks.
- I will not do anything that will compromise the security or capabilities of the network which includes disabling settings for virus protection, spam and filtering that have been applied as a departmental standard. I will not damage or disable computers, computer systems or networks. I will not hack or bypass any hardware and software security mechanisms that have been implemented.
- I agree not attach any school-owned equipment to their mobile devices without the permission of the school principal or an appropriate staff member.
- I agree to comply with departmental and school policies concerning the use of devices at school while connected to the department's Wi-Fi network.
- I will not access or initiate offensive material considered to be discriminatory, sexist, racist, violent, abusive, threatening, pornographic, defamatory or illegal.
- I understand that the installation or downloading of any software is strictly prohibited which includes games, music, graphics, videos or text materials.
- I will keep my passwords confidential and not allow others to use my accounts. I will log out at the end of my learning sessions.
- I will promptly tell my supervising teacher if I suspect that anyone has received a computer virus or spam (i.e. unsolicited email) or if they receive a message that is inappropriate or makes them feel uncomfortable or unsafe.
- I will use the email system responsibly and will never knowingly initiate or forward emails or other messages that are abusive, contain spam, hoax or chain letters.
- I will respect the privacy of staff and other students and will not publish or disclose their email addresses or any personal information.
- I agree not take photos or make video or audio recordings of any individual or group without the express written permission of each individual (including parent/caregiver consent for minors) being recorded and the permission of an appropriate staff member.
- I agree to never plagiarise information and will observe appropriate copyright laws, including acknowledging the author or source of any information used.
- I agree not to copy, transmit or retransmit any material that is protected by copyright, without prior permission from the copyright owner.
- I understand that failing to comply with the acceptable usage policy may result in disciplinary and/ or legal action.
